# Caller Cards and How to Play

Cut the 20 cards apart, put them in a bowl, and pull one at a time. Little ones can match the picture; readers can listen for the word.

1. Give each player one bingo card and a handful of markers: buttons, cereal, dry pasta or paper squares.
2. Pull a caller card. Say the word and hold it up so pre-readers can match the picture.
3. First to four in a row calls Bingo. Then play again for four corners or a full card.
